INCREASING THE LIMITATION ON EXPENDITURES BY THE SELECT COMMITTEE ON INTELLIGENCE FOR THE PROCUREMENT OF CONSULTANTS

JUNE 17 (legislative day, JUNE 16), 1986.—Ordered to be printed

---

Mr. DURENBERGER, from the Senate Select Committee on Intelligence, submitted the following

REPORT

COMPLETED

[To accompany S. Res. 429]

Senate Resolution 353, agreed to on March 13, 1986, authorized the Select Committee on Intelligence from March 1, 1986, through February 28, 1987, to expend funds not to exceed $1,864,131, of which amount not to exceed $5,000 was authorized for the procurement of the services of individual consultants.

Subsequent to the Senate's agreement to S. Res. 353, a previously unforeseen need has arisen for the Select Committee to retain the services of a consultant in connection with the Committee's work on Intelligence Community personnel management issues.

The Resolution reported by the Select Committee will enable it to enter into the necessary consultancy agreement. It should be emphasized that the Resolution reported by the Select Committee does not provide for the expenditure of any funds beyond those already authorized for the Select Committee's expenses. The Resolution merely increases the limitation on the portion of funds previously authorized that may be expended for the procurement of consultants.
